

# Kick It

Verzache

(Maybe I'm better alone)

I should probably pick up the phone  
Besides, I'm alone  
I know I'd hate myself if I don't  
Lately, I don't talk  
I've been staying inside, home alone  
Plus, I don't know where to go

I guess I'm tryna kick it on the low  
I guess I'm tryna kick it on the low

Fuel me up, man  
Yeah, fuel me up  
Oh lord, give me strength I can't do this on my own  
Full of bad ideas, yeah I know  
Thought doing the thing that I love would make me happy, I was  
wrong  
So I made this song to let you know  
That shit from within, you can't just let it go  
Thought I was better but I keep finding residual  
Can't eat my dinner 'cause my thoughts already have me full  
I'm finna pass out now

Wait, I should probably pick up the phone  
Besides, I'm alone  
I know I'd hate myself if I don't  
Lately, I don't talk  
I've been staying inside, I'm alone  
Plus, I don't know where to go

I guess I'm tryna kick it on the low  
I guess I'm tryna kick it on the low  
I guess I'm tryna kick it on the low  
(Well, maybe I'm better alone)
