Yeah  
Too many problems I don't talk about  
Keep 'em bottled inside then I pass out

Too many things in my head  
I don't even know what I'm thinking at the time  
Think I gotta rewind  
Think about what's going on  
Think about why I wanna die  
Think I gotta re-

Nothing getting done  
Nothing that I do  
Wish I had another way to go through  
Let it get to you  
What is it to you?  
Could you help me if I told you what I needed to?

Feels like it's s'posed to  
I been working underground, I ain't going to  
About to knock the basement  
I been hiding from the world, wanna change shit

What I gotta do?  
Got some now we tryna spoke the truth  
I don't have no problems with you  
Tryna stick around without the glue

What I gotta do?  
Got some now we tryna spoke the truth  
I don't have no problems with you  
Tryna stick around without the glue

I'll leave now  
Put my phone down  
Need some help now  
Can't do it by myself, nah

I'm tryna change myself now  
For the better  
For the better (For the better)

Ah ah...

What I gotta do?  
Got some now we tryna spoke the truth  
I don't have no problems with you  
Tryna stick around without the glue

What I gotta do?  
Got some now we tryna spoke the truth  
I don't have no problems with you  
Tryna stick around without the glue

What's inside of my own head?  
What's inside of my own head?  
What's inside my own head?  
I'm never leaving my own bed

I'm hiding now until I'm dead  
Let me figure out my head

Too many things in my head  
I don't even know what I'm thinking at the time  
Think I gotta rewind  
Think about what's going on  
Think about why I wanna die  
Think I gotta re-

Too many things in my head  
I don't even know what I'm thinking at the time  
Think I gotta rewind  
Think about what's going on  
Think about why I wanna die  
Think I gotta re-

I don't know what I'm thinking at the time  
Think I gotta rewind  
Think about what's going on

One of my bitches  
Too many bitches  
Why are you listening?  
All these things that are sick

Too many bitches  
Get the money, I'm richer  
Too many bitches  
Get the money, I'm richer

Yeah  
I got too many problems I don't talk about  
Keep 'em bottled inside then I pass out
