

Hook & Ladder

Vetiver

There's a fire
And I'm burning
Better get the hook and ladder darling
I got a hot tub running through me
Better get the hook and ladder
And cool me
Singing
Woah-oh
There's a fire
And he's burning
Yes I'm burning
Better get the hook and ladder, darling
I got a hut tub running through me
Better get the hook and ladder
And cool me
Singing
Woah-oh
