

# Won't Be Me

Vetiver

Tell me know, spell it out  
Are you waiting for that one?  
Love to lift your life about  
Well it won't be, tell you now it won't be me  
Hard times have been mine  
I tried to keep them far from you  
Did the best that I could do  
But it won't be, don't you know it won't be me

Won't be, won't be me  
Won't be, don't you know it won't be me

I've done [?] to ever cheat your mystery girl  
Gave all that I knew to give  
Still it won't be,  
Oh you know it won't be me

Won't be, won't be me  
Won't be, oh you know it won't be me

Won't be, won't be me  
Won't be, tell you now it won't be me

I won't lie, I won't deny that I led you farther on  
Thought I heard them bells a'chime,  
But they won't be, oh you know they won't for me

Won't be, won't be me  
Won't be, oh you know it won't be me
