

Someone Somewhere

VHS Collection

Alone in the woods a new generation
Lost in the dark without a kind word
So I'll run away I'll run away again
Cuz I can't be the same, can't be the same way

I'm calling, I'm calling
I'm calling for someone somewhere
Is anybody out anybody out anybody out there
I'm calling, I'm calling
I'm calling for someone somewhere
Is anybody out anybody out anybody out there

The prodigal son a stray from the path
Don't want to fit in or follow the pack
So I'll run away I'll run away again
Cuz I can't be the same, can't be the same way

I'm calling, I'm calling
I'm calling for someone somewhere
Is anybody out anybody out anybody out there
I'm calling, I'm calling
I'm calling for someone somewhere
Is anybody out anybody out anybody out there

Don't you know, there's a place outside your window calling
Don't you know, the voice inside your head is howling
Don't you know, there's a place outside your window calling
Don't you know, the voice inside your head is howling

I'm calling, I'm calling
I'm calling for someone somewhere
Is anybody out anybody out anybody out there
I'm calling, I'm calling
I'm calling for someone somewhere
Is anybody out anybody out anybody out there
