

# The Longest Drive

VHS Collection

We are young  
And we've gone mad  
We are alone, lone, lone  
Not wishing you were coming back  
And we run  
When things get bad  
We're diving deeper into nothing  
Now we're sinking fast

One more show  
I can't fake it  
I can't make it  
Too young to be getting old  
No, no, I can't take it  
I can't make it  
I have lost control

Had my fun  
I've stayed on track  
I bought a brand new home  
Just so I could paint it black  
We are done  
We're futures past  
We never said we would serve anyone  
Or that we'd ever come back

One more show  
I can't fake it  
I can't make it  
Too young to be getting old  
No, no I can't take it  
I can't make it  
I have lost control  
I've gone too far  
The longest road  
From my head is to my heart  
I'm in too deep  
And I've gone mad  
The longest drive that I'm ever gonna have

I hear what you say  
To me this time  
I hear what you say  
To me this time  
Slippin away, away, away from me tonight  
Slippin away, away, away from me tonight

One more show  
I can't fake it  
I can't make it  
Too young to be getting old  
No, no I can't take it  
I can't make it  
I have lost control  
I've gone too far  
The longest road  
From my head is to my heart

I'm in too deep  
And I've gone mad  
The longest drive that I'm ever gonna have
