

Wide Awake

VHS Collection

I was a child in my dreams
Everything was a taken
From a world forsaken now
Caught up in some other scene
'Till my mind was shaken into my salvation now

I can see through all your mystery
All I need is to break free

(I'm wide awake)
Keeping my eyes on you
(I can't escape)
Chasing the dream of you
On and on and on
I'll never let you go
Tattooed on my arm
You're the only thing I know

I went to work for the city
Everything was jaded
I could barely make it out
Just cause you're young and you're pretty
Everything I hated, I could only shake it out

I can't sleep
Look what you've done to me
All I need is to break free

(I'm wide awake)
Keeping my eyes on you
(I can't escape)
Chasing the dream of you
On and on and on
I'll never let you go
Tattooed on my arm
You're the only thing I know

You can't explain it
I can't explain it
I can't explain it
I can't explain it
I'm only breaking down please
Set me free set me free

(I'm wide awake)
Keeping my eyes on you
(I can't escape)
Chasing the dream of you
On and on and on
I'll never let you go
Tattooed on my arm
You're the only thing I know

(I'm wide awake)
Keeping my eyes on you
(I can't escape)
Chasing the dream of you

On and on and on
I'll never let you go
Tattooed on my arm
You're the only thing I know
