

Dirty Boyz

Viagra Boys

Well I heard the dirty boys are a comin'
You better hide your bicycle (Ah)
I saw one passed out with a fridge tied to his helmet
Just a little while ago
Well, you better not be out on the street boy
Oh
Oh, when those dirty boys pass by
They'll
Scoop you up and turn you into one of them
Just one hit out of that pipe
Oh

Say, I'm a dirty boy
I think I'm... I think I'm turning into
The dirty boys come out when you are sleeping
They collect a bunch of useless fucking shit
And they throw it in a pile down there by the river
And smoke a bunch of meth under the bridge

Some say the dirty boys aren't' even human
When they're born they come out crawling from the mud
And they say that they don't sweat
But somehow they're always wet
You can cut them they've got gasoline for blood
Oh

Yeah I'm a dirty boy
Said I'm a
Said I'm a
Said I'm a
Said
Said I'm a
Oh baby (I feel so dirty)
Oh baby (I feel so dirty)
I think I'm turning into a dirty boy (I feel so dirty, I feel so dirty)
Oh baby (I feel so dirty)
Oh baby (I feel so dirty)
I think I'm turning into a dirty boy (Oh oh oh oh I'm just a dirty boy)
Oh baby
