Sitting in your room
Playing video games all day
I wonder if you knew
I've been thinking ever since we met
When you chased me 'round and stepped on me with your big boots
And everything felt easy
Everything feels easy now and

Go get Chinese food at the local spot on a Monday night
Tastes like sour meat, but I've had worse so I don't mind
Looking at you
Everything feels easy now and
Looking at you, feels easy
So easy
So easy
So easy
So easy
