

# It's A Little High All The Way Up Here

Vian Izak

It's a little high all the way up here  
And you think you're right but your mind is full of fear  
Oh a rebel with a cause hides a soul so lost  
I can see you tear it down all in the name of love

In the name of love  
In the name of love

Call out justice and a name  
Crying blood for blood  
But can't you see their game  
Oh we're falling hard

In the name of love  
In the name of love  
In the name of love  
In the name of love
