

# Mostly

Vian Izak

I'm mostly scared, I am mostly unprepared, I'm a mess  
I've lost most of myself as the waves came crashing down, I'm a  
wreck

I've bought up all my dreams and sold off most my heart  
I've been lying to myself just to bury all my thoughts

That I'm mostly scared, I am mostly unprepared, I'm a mess  
I've lost most of myself as the waves came crashing down, I'm a  
wreck

I've been burying my sins and I paid the deadly cost  
Of a life full of success and an empty broken heart

That's mostly scared, mostly unprepared, and a mess  
That's lost most of itself as the waves came crashing down, and  
is a wreck

Thank you
