

Mostly

Vian Izak

I'm mostly scared I am mostly unprepared I'm a mess
I've lost most of my self as the waves came crashing down I'm a
wreck

I've bought up all my dreams and sold off most my heart
I'd been lying to myself just to bury all my thoughts

I'm mostly scared I am mostly unprepared I'm a mess
I've lost most of my self as the waves came crashing down I'm a
wreck

I've been burying my sins and paying the deadly cost
Of a life full of success and an empty broken heart

That's mostly scared mostly unprepared and a mess
That's lost most itself as the waves came crashing down and is
a wreck
