

# Too Late

Vianney

Eyes locked in a glance, look away  
Look away for me  
Don't know how we'll keep the distance  
Something about you keeps me  
Wanting more every day, look away  
Look away for me  
New story same ending  
I'll stay pretending

Ooh-oooh-oooh, ooh-oooh-oooh, ooh-oooh  
Love is knocking at my door  
A fantasy I can't ignore  
Ooh-oooh-oooh, ooh-oooh-oooh, ooh-oooh  
Love is knocking at my door  
I can't let it in anymore

I found you  
I found you  
I found you  
Too late  
I found you  
I found you  
I found you  
Too late  
Too late

I can't talk to anyone, nobody  
Nobody can help me  
Only we know what it's like to feel this  
People talk and I can't breathe  
Already got what I want what I need  
For that, I'm sorry  
New story same ending  
I want you so tempting

Ooh-oooh-oooh, ooh-oooh-oooh, ooh-oooh  
Love is knocking at my door  
A fantasy I can't ignore  
Ooh-oooh-oooh, ooh-oooh-oooh, ooh-oooh  
Love is knocking at my door  
I can't let it in anymore

I found you  
I found you  
I found you  
Too late  
I found you  
I found you  
I found you  
Too late

I found you  
I found you  
I found you  
Too late  
I found you  
I found you

I found you  
Too late

In another life  
We could have been  
But for now  
I just can't let you in

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-oooh  
Love is knocking at my door  
A fantasy I can't ignore  
Ooh-ooh-ooh, ooh-ooh-ooh, ooh-oooh  
Love is knocking at my door  
I can't let it in anymore

I found you  
I found you  
I found you  
Too late  
I found you  
I found you  
I found you

I found you  
I found you  
I found you  
I found you  
I found you  
I found you  
Too late
