

# Zigzags

Vibe Chemistry

Have you ever got high  
Cause you're sick of being low  
Do you ever wanna die  
Do you ever wanna go  
Well, take a look in my eyes  
You can see in my soul  
I'm in over my head  
I'm in over my hope

Got a packet of the zigzags and a big bag of the weed  
Gonna hit it with a big drag and then kick back in the breeze  
Put a dummy in the chitchat and the riffraff and the thieves  
You don't want it with the big cats and the stash referees

Have you ever got high  
Have you ever got high  
Have you ever got high  
Have you ever got high

Have you ever found light  
In the room in the dark  
Have you ever lost sight  
Do you know who you are  
Well, take a look in my eyes  
You can feel my scars  
I'm in over my head  
I'm in over my heart

Got a packet of the zigzags and a big bag of the weed  
Gonna hit it with a big drag and then kick back in the breeze  
Put a dummy in the chitchat and the riffraff and the thieves  
You don't want it with the big cats and the stash referees

Have you ever got high  
Have you ever got high  
Have you ever got high  
Have you ever got high

Have you ever got high  
Have you ever got high

Have you ever got high  
Have you ever got high  
Have you ever got high  
Have you ever got high
