

Drunk

Vic Chesnutt

She said it
She should know
She'd by, told by
She knows

She'd been through it
Quantity
What can I say
She should know

I am what I am
She'd been through
Like a gopher
Down to the patch

Get that panic pack
She'd been to Rome, yes
When they do it, do as they do

Oh, Lord, mercy
I think it's quantity

I am what I am
She'd been through
Like a gopher
Down to the patch

I am what I believe
Bad on the head
Like a mad man
Belligerent
