## The More I See You

Vic Damone

the more I see you the more I want you somehow this feeling just grows and grows with every sigh I become more mad about you more lost without you and so it goes can you imagine how much I love you the more I see you as years go by I know the only one for me can only be you my arms won't free you and my heart won't try each time I look at you is like the first time each time you're near me the thrill is new and there is not a single thing I wouldn't do for the rare delight of the sight of you and there is not one single thing I wouldn't do for the rare delight of the sight of you and the more I see you and the more I see you everyday
