

## We Kiss In A Shadow

Vic Damone

We kiss in a shadow,  
We hide from the moon,  
Our meetings are few,  
And over too soon.  
We speak in a whisper,  
Afraid to be heard;  
When people are near,  
We speak not a word.  
Alone in our secret,  
Together we sigh,  
For one smiling day to be free  
To kiss in the sunlight  
And say to the sky:  
'Behold and believe what you see!  
Behold how my lover loves me!'

We speak in a whisper,  
Afraid to be heard;  
When people are near,  
We speak not a word.  
Alone in our secret,  
Together we sigh,  
For one smiling day to be free

Both  
To kiss in the sunlight  
And say to the sky:  
'Behold and believe what you see!  
Behold how my lover loves me!'
