

Mexico

Vicci Martinez

Its a simple life in Mexico
The sun shines brighter and theres time to go, yes
Anywhere that you want to go
Love in Mexico

I found a way to keep me calm
Through these days when every thing seems to go wrong
Its your smile on my mind
Yes, I'll be fine
Lover thank you for your time

Now everything is clear
Theres no worries, no more fear
And I've loved, but not like this
Theres nothing sweeter than your kiss
Now if I could wish for anything
It would be to have you show me all of the things
That true happiness can only bring
Lover we will fly away

Now we'll fly away to paradise
Its the paradise living in your eyes and mine
And do all of the things that we've never done before
And every day new love
I keep loving you more and more

And now everything is clear
Theres no worries, no more fear
And I've loved, but not like this
Still nothing sweeter than your kiss

And now everything is clear
Theres no worries, babe, theres no more fear
And I've loved, but not, but not like this
Theres nothing sweeter baby, sweeter baby,
theres nothing sweeter than your kiss
