

Ordinary, Decent

Vice Squad

Disgusted of weybridge says
"string 'em up by the balls,
Hanging is too good for them
Torture and kill 'em all"

Outraged of cheshire says
"blame the single mums,
There's no respect from lawless brats
Brought up in broken homes"

Ordinary, decent, hardworking people
Indifferent, intolerant, greedy people

What kind of job is ripping off
The desperate and poor?
High street banks and loan sharks
Rent pimps at the door

Dress it up in pin-stripe
It's rotten underneath
Libeling the helpless
Lying through your teeth

Fight fire with fire!
