

# Count Me Out

Vicetone

It's supposed to be sweet  
It's supposed to be effortless  
It's supposed to be wild  
And as holy as heaven is

They say there's nothing better  
They tell you it's forever  
It's something that you'll never regret  
It's everybody's weakness  
Cause everybody needs it  
They swear that it's as good as it gets

If this is what love feels like  
I don't wanna fall any farther  
If this is what love feels like  
Count me out  
Count me out  
Count me out  
Count me out

Take it from me, I used to believe  
Until it happened to us  
I never thought  
I'd be the kinda person to run

Cause they say there's nothing better  
They tell you it's forever  
It's something that you'll never regret  
It's everybody's weakness  
Cause everybody needs it  
They swear that it's as good as it gets

If this is what love feels like  
I don't wanna fall any farther  
If this is what love feels like  
Count me out  
Count me out  
Count me out

Count me out  
Count me out  
Count me out  
Count me out

Count me out  
Count me out  
Count me out  
Count me out  
Count me out  
Count me out
