Oooo

Just follow my shadow, baby
Hold on to my hand, I know you want to
Just follow my shadow into the night
Oooo

Just follow my shadow, baby
Let go of the past you know you want to
Just follow my shadow, baby tonight
Oooo

Oooo
Just follow my shadow
Oooo

Just follow my shadow, baby
Hold on to my hand, I know you want to
Just follow my shadow into the night
Oooo

Just follow my shadow, baby
Let go of the past you know you want to
Just follow my shadow, baby tonight
Oooo
