

Voices In My Head

Vicetone

Go away, go away, go away
The voices in my head, in my head
Go away, go away, go away
The voices in my head, in my head
I keep drowning them, drowning them, drowning them out
Until they're getting, getting, getting too loud
Go away, go away, go away
The voices in my head, in my head

Heart racing
Hands shaking
Last night really fucked me up
I'm anxious
I hate it
How I feel like I'm not enough

No one really likes you, you're a joke
And everyone who loves yous gonna go
Echoes of confusion in my brain
Wish they would listen when I say

Go away, go away, go away
The voices in my head, in my head
Go away, go away, go away
The voices in my head, in my head
I keep drowning them, drowning them, drowning them out
Until they're getting, getting, getting too loud
Go away, go away, go away
The voices in my head, in my head
