

# Walk Thru Fire

Vicetone

Talk to me  
Spill the secrets you've been keeping  
Life cuts deep  
Let me help pick up the pieces

You're not alone, I'm by your side  
Don't you know, don't you know  
I'll walk through fire with you  
I'll walk through fire  
No matter what, I'll make it right  
Don't you know, don't you know  
I'll walk through fire with you  
I'll walk through fire

I'm not an angel, I'm not a saint  
I've been a closed book full of mistakes  
But when you're broken, when you're in pain  
Ooh...  
I'll walk through fire with you

I'll walk through fire  
I'll walk through fire with you  
I'll walk through fire

You know I  
Don't pretend to be a savior  
But let me in, yeah  
I promise nobody can break us

You're not alone, I'm by your side  
Don't you know, don't you know  
I'll walk through fire with you  
I'll walk through fire  
No matter what, I'll make it right  
Don't you know, don't you know  
I'll walk through fire with you  
I'll walk through fire

I'm not an angel, I'm not a saint  
I've been a closed book full of mistakes  
But when you're broken, when you're in pain  
Ooh...  
I'll walk through fire with you

I'll walk through fire with you  
I'll walk through fire  
I'll walk through fire with you  
I'll walk through fire with you

You're not alone, I'm by your side  
Don't you know, don't you know  
I'll walk through fire with you  
I'll walk through fire

I'm not an angel, I'm not a saint  
I've been a closed book full of mistakes  
But when you're broken, when you're in pain

Ooh...

I'll walk through fire with you

I'll walk through fire with you

I'll walk through fire

I'll walk through fire with you

I'll walk through fire with you
