

## Black X List

### Vicious Rumors

The building has stood for years  
Remains of the house still here  
The overseer held his ground until they shot him down  
This land is rich with sin  
They know just what they did

Black X List the door is open wide  
Worlds Collide gravity switches sides with a voodoo kiss  
Black X List the flame is turned inside out  
Unravel doll but don't let her out you'll pay for this

The trees are looking in  
The air here is very thin  
Sends shivers up my spine tares me up inside  
This land is rich with sin  
They know what they did

Spirits, spells, curse of death  
A sweet revenge of the Black X List  
We came to see if it was true  
Became the one that haunted you

Now only ash remains  
Still hearing a voice of slaves  
The corpses were never found  
The case never solved  
Curse of the Black X List  
Unravel the doll
