# No Apologies

**Vicious Rumors**

I won't apologize
For the way I make you feel
Cause you're not what you seem to be, yeah!

I can't be sorry for
All the things said and done
Or the chain of events that's yet to come

Searching deep inside
Your body weighed down
Super adrenalized
Your head so lost in the clouds

Everybody wants their claim to fame
I'll get mine, you'll want yours just the same
Everybody wants their 15 minutes of fame
But the price tag changes, it changes from day to day

I won't be crucified by
The actions that you take
Abused and second rate
I will be justified
When the wrecking ball brakes through
It's the chain of events that's yet to come
Whatcha gonna do

It all becomes clear
Wash the filth away
Super sanitized
It's a brand new day
