Slip and slide with silky stuff say what

People love me
Never wanna make people love me
I say I'm broken I'm broken

People love me
Never wanna make people love me
I say I'm broken
Just stop it just stop it
Broken

Broken stuff you can shake the ass
This is a real one burning out the faking fur
You're far to make it
I don't even have a time to tell it
How to rap it how to be a chop-a-chapping to deliver
Don't touch me now please put me on the corner
No listen up they are all the same sounds shallow bands words
Are dumped noisy distortion
Damn awful

Slip and slide with silky stuff say what!?
