

Divided

Vickeblanka

Falling faster
Shallow breathing
Give me something to believe in
Whole once again

I've been dying inside
I'm running circles
So tell me it's not all in my head

When I close my eyes at night
And I like what I see so much
Something always brings me back to you
And it takes too long time

Give me back
Can't throw it off
I'm so divided
Tell me where'd you go
Any moment
You were always perfect to me

Getting out of my mind
Little by little
Crawling underneath my skin like
A swimming

I've been dying inside
I'm running circles
So tell me it's not all in my head

When I close my eyes at night
And I like what I see so much
Something always brings me back to you
And it takes too long time

Give me back
Can't throw it off
I'm so divided
Tell me where'd you go
Any moment
You were always perfect to me
You're so perfect to me
You're so perfect to me yeah, yeah

When I close my eyes at night
And I like what I see so much
Something always brings me back to you
And it never takes too long time

Give me back
Can't throw it off
I'm so divided
Tell me where'd you go
Any moment
You were always perfect to me
