

Save This Love

Vickeblanka

Look at me
Before you leave
Babe I'm talking to you
Still I don't want to believe that we are breaking in two
Pictures frozen in time are becoming clearer
I've been dying inside

Tell me it's not all in my head
Hope you take my hand to save this love
I'll do anything to save this love
Save this love

Sing me a love song again
Back where we're the same
Don't let me awake in this dark side
Sing me a love song again
Right now I'm saving this
I'm saving this love

Look at me
Before you leave
Babe I'm talking to you
Still I don't want to believe that we are breaking in two
Pictures frozen in time are becoming clearer
I've been dying inside

Tell me it's not all in my head

Don't let me awake in this dark side
Sing me a love song again
