

Seperate Tables

Vicky Leandros

Seperate tables (Lyric) At seperate tables we sit down to eat,
In seperate bedrooms we go to sleep at night, I only wish you knew
how much You've been on my mind;

I think about you when the morning comes, I think about you when
all my day is done, Wondering what you're doing now, Are you
lonely too?

Because I - I miss you here tonight, And I wish you were by my
side, And I don't want to let go;

At seperate tables we sit down to write, The seperate letters that
never see the light, If only we could just agree, To read between
the lines;

I want to see you and I know what I will say, We must be crazy
to throw it all away, Never knowing what is lost, Before it's all
too late;

And I - I miss you here tonight, And I wish you were by my side,
And I don't want to let go;

Yes I - I miss you here tonight, And when I hold you by my side,
Well I'm not going to let go.
