

Nazi Inside My Head

Victims Family

Wells there's this nazi inside my head and he tells me that he
wants to
see the Jews all dead and everywhere he looks he sees red, redd
er
than the fathers of the fatherland shed, he's sick and he's fed
up to
here...and all he wants to do is drink German beer and dance wi
th a
beautiful aryan maiden.
Hitler's inside my brain and my generic rhyming just drives him
insane, lives everyday without pain, without any struggle, with
out any
strain. Never thinks twice as he lies...loves you up and down h
is beady
little eyes, doesn't give a damn who lives or dies
Hess lives on in my skull, and he couldn't care less when his f
at belly's
full, just whose heads will roll, as long a he's in full contro
l of
everything under the sun...as long as he stays the big #1 and g
ets to
hide out in Argentina when the war is over.
