I feel so good today
(Feelin' so good)
Because it's the day I'm seeing you
That's why I'm more excited, yeah
Normally, things I would've just passed by
Today,
They look even more beautiful

Put on the shoes you bought for me
I'm walking to you
I look in the mirror and fix my hair
Before you come
I arrived first and am waiting for you
I wanna see your face
Even if it's a minute faster
I see you walking over from far away
(Dazzling)

Baby you're so beautiful
You're so pretty, I can't believe it
I can't believe you're my girl
Baby you're so beautiful
If you want, I can do anything
I'll always be there for you girl

Hey baby,
We should be together
Forever by your side (for you girl)
Hey baby, I wanna
Only look at you (ah)
Hey baby,
We should be together
Forever by your side (oh)
Hey baby, I wanna only look at you
I'll always be there for you girl

B.E.A.utiful (oh girl)
I go crazy when I look at you
I can't say anything because you're so pretty
Feels like I can't touch you
So untouchable
I can't believe you're my girl
It's still awkward to hold your hand
Uh, but I will do anything
If you want, I'll do anything

I put on
The cologne that you like
And I'm going to you
I check myself out in the mirror
Maybe you're walking slow today
I wanna see your face
Even if it's a minute faster
I see you walking over
From far away
(Beautiful)

Baby you're so beautiful
You're so pretty, I can't believe it
I can't believe you're my girl
Baby you're so beautiful
If you want, I can do anything
I'll always be there for you girl

Hey baby,
We should be together
Forever by your side
(We go together so well
Like an orchestra
There will never be
Disharmony between us girl)
Hey baby,
We should be together
Forever by your side
(No matter where I look in this world
I can't find a girl like you)

Baby you're so beautiful
Even after time passes, for all my life
I wanna only look at you
Baby you're so beautiful
I will only love you
I'll always be there for you girl

Hey baby,
We should be together
Forever by your side (for you girl)
Hey baby, I wanna
Only look at you (ah)
