□□ □□□

I'll hide my sad face for you
So you can leave comfortably
Until you're so far that I can't see you
I'll hold back my tears

Yeah actually, you burn me up inside
I want to go to you right now
Asking you not to go, not to leave me alone
Should I? Or is that being too clingy?

There's still so much I haven't given you
So much I haven't given as much as I received
I know my love is not good enough for you but please

Remember me in your heart

So I can breathe with you forever
Remember me, for me, who has lost you
Who was my world, my everything

Remember me
Eh eh oh eh oh
Eh eh oh eh oh
Eh eh oh eh oh

Remember me
Eh eh oh eh oh
Eh eh oh
So I can breathe with you forever

I wasted energy on stupid emotions
Denying your existence
But now, everything about you is so precious
Because you're my everything
Probably tomorrow
No, every day for the rest of my life
You will be my light and salt

Everyday ay bae, all of me is for you
You take that, there will be no regrets, maybe
But anyway, remember me
You have to remember me, you must remember me

Please stop right there
Even if I can only see the back of you
My heart is beating like crazy, it's shouting
Please return her to me

There's still so much I haven't given you
So much I haven't given as much as I received
I know my love is not good enough for you but please

Remember me in your heart
So I can breathe with you forever
Remember me, for me, who has lost you
Who was my world, my everything

Remember me
Eh eh oh eh oh
Eh eh oh eh oh
Eh eh oh eh oh

Remember me
Eh eh oh eh oh
Eh eh oh
So I can breathe with you forever

Don't forget me, don't erase me
Remember me as a good person
If we can see each other again some day
Then I won't lose you
I won't lose you

Remember me
Eh eh oh eh oh
Eh eh oh
So we can feel each other
Even when we're far away

Remember me
Eh eh oh eh oh
Eh eh oh
So I can breathe with you forever
Remember me
