Maybe we knew
A long time ago
Though we tried to overcome
There's no choice anymore

All the days we fought
We held it in
But we can't avoid this

We love then we hate
We hate then we miss each other
We're tired from this painful cycle

Very slowly
In the end, slowly
Slowly, slowly

We're saying goodbye

Your warmth and scent
Are too clear to accept this
So I shed tears in regret
I want to start again but
We know that we can only hurt each other

All the days we fought
We held it in
But we can't avoid this

We love then we hate
We hate then we miss each other
We're tired from this painful cycle

Very slowly
In the end, slowly
Slowly, slowly
We're saying goodbye

The saying of letting go because you love them
Thought it only existed in novels
But now I know
Because I love you
I must leave for your happiness that I cannot give

We love then we hate
We hate then we miss each other
We're tired from this painful cycle

Very slowly
In the end, slowly
Slowly, slowly
We're saying goodbye
