

Chop & Slide

Victony

Yeah, yeah

She don't wanna
She don't wanna loving make you no bother
She don't want no honesty and no na-na
She ain't even talking if there's no rabba, oh no
My baby on a whole noda
Different level, she be slow burner
She take me to Heaven when she go slower
Right after we fuck, she gimme cold shoulder
Cold shoulder, uh

She no want anything
She just wan chop and slide
Me, I want everything
And I wan fuck her right

She no want anything
She just wan chop and slide
Me, I want everything
And I wan fuck her right

She just wan chop and slide
And I wan fuck her right
She just wan dey alright

Baby know say
She be criminal
She know she giving trouble to many man, oh
And then she gimme double, I really can't, oh
Girl, the waist, oh
So African
Spend all me money, I really can
Do anything to keep you away from any man, oh

Girl loving on the low right now
But she no want make, I hold her heart
And you got me screaming, "Oh my God"
'Cause she tell me that she really like a ho right now
And you, know my love is true
Never had enough of you
Know my love is true, no

She no want anything
She just wan chop and slide
Me, I want everything
And I wan fuck her right

She no want anything
She just wan chop and slide
Me, I want everything
And I wan fuck her right

She no want anything
She just wan chop and slide
Me, I want everything
And I wan fuck her right

She no want enemy
She just wan dey alright
She no want any strings
She no want make I wife

(She just wan make I wife)
She just wan chop and slide, oh
(She just wan make I wife)
And I wan fuck her right
She just wan dey alright
