Victony

See, hello my lady oo
Let go of all your fears
You know my lady oo
I dey for you my lady oo
And it's time to dive now
And kill some vibe ohh

More of your love
More of your love (no no)

Baby girl
More of your love

Call the police
Call the police oo
That body fire
It fit to murder me ooo
Looking for trouble
I geti double
Double trouble
I dey on top your matter
Say baby girl look into my eyes
And see that all I want is more and more of your love
Just give me

More of your love
More of your love (no no)

I need more of your love
I need more of your love
