Dey don dey wait for me too
Dey don dey pray make I fall again
But my mama dey pray for me too

Carry my cross and I face my fears and
Feeling my pain as I shed my tears and

One day all man go meet for heaven
Until then I dey chase my bread oh
Been on my grind on the 2-4-7
Only my neck wey for carry my head oh

I don dey wait for all of them
Dey don dey wait for me too
Dey don dey pray make I fall again
But my mama dey pray for me too
I don dey wait for all of them

Dey don dey wait for me too
Dey don dey pray make I fall again
But my mama dey pray for me too

They wanna know
Tell me what they wanna know
They wanna know
Tell me what they wanna know

They wanna know
Tell me what they wanna know
They wanna know
