

2Cor 5:7

Victor Thompson

Walk by faith, not by sight
Standing solely on the word
Not by strength, not by might
Already won all my fight

Walk by faith, not by sight
Standing solely on the word
Not by strength, not by might
Already won all my fight

Walk by faith, not by sight
Standing solely on the word
Not by strength, not by might
Already won all my fight

Walk by faith, not by sight
Standing solely on the word
Not by strength, not by might
Already won all my fight bridge

He's won, He's won, He's won my battles
He's won, He's won, He's won my battles
He's won, He's won, He's won my battles
He's won, He's won, He's won, He's won my battles
He's won, He's won, He's won my battles
He's won, He's won, He's won my battles
He's won

Walk by faith, not by sight
Standing solely on the word
Not by strength, not by might
Already won all my fight

Walk by faith, not by sight
Standing solely on the word
Not by strength, not by might
Already won all my fight

Walk by faith, not by sight
Standing solely on the word
Not by strength, not by might
Already won all my fight

Walk by faith
Not by sight
Standing solely on the word
