

Absolutely Nothing

Victor Thompson

With all my heart
I put my trust only in You
Never will I
Lean on my own understanding

With You every fear and doubt
Has nothing on me
My heart is fixed on You
Yea my ears are glued to Your word
All my days, Your voice in my heart
I believe you now always

Nothing, absolutely nothing is impossible with God
Nothing, absolutely nothing is impossible with God
Nothing, absolutely nothing is impossible with God
Nothing, absolutely nothing is impossible with God

Everything with You is possible
Everything with You is possible
Everything with You is possible
Everything with You is possible

With God all things are possible

Everything with You is possible
Everything with You is possible

Nothing, absolutely nothing is impossible with God
Nothing, absolutely nothing is impossible with God
Nothing, absolutely nothing is impossible with God
Nothing, absolutely nothing is impossible with God
Nothing, absolutely nothing is impossible with God

I believe it I
Believe it...
I believe it...
I believe it...
I believe it...
You have my heart
I give you my life
Oh, God. Oh, God
You have my heart
I give you my life
Oh, God...
