

# Immersed

Victor Thompson

My God, My God  
Doesn't know how to forsake  
My God, My God  
This Your ways I can't explain

All You do is love, love, love  
Love, love, love  
'Til the end of time  
Love, love, love  
Love, love, love  
'Til the end of time  
Love, love, love  
Show me love  
'Til the end of time  
Love, love, love  
Love, love, love  
'Til the end of time

You overwhelm me with Your love

You don't keep tab or record of our wrongs  
You do not prove a point with our weaknesses  
The greatness of my dreams can never be compared  
To the weight of Your thoughts for me

Deeper than imagination  
Is what You have for me  
Your loving kindness overwhelms me

'Til the end of time  
Love, love, love  
Love, love, love 'til the end of time  
Love  
Love, love, love 'til the end of time  
Love  
Love, love, love 'til the end of time

I am immersed in His love  
And it's not because what I have done  
I'm saved by Your grace  
And I'll forever sing of Your praise

I am immersed in His love  
And it's not because what I have done  
I'm saved by Your grace  
And I'll forever sing of Your praise

Jesus  
All You do  
All You do is love me  
Love

Thank You for Your Love

All You do is love, love, love  
Love, love, love  
'Til the end of time

Love, love, love  
Show me love, 'til the end of time
