

THIS YEAR

Victor Thompson

Everything I be wanting, manifesting for my life
Everything you be wanting, manifesting for your life
Everything I be wanting, manifesting for my life
Everything you be wanting, manifesting for your life
(SamDuke on the vibe)

This year, blessing, money, testimony
Go dey follow, follow
Follow, follow
Follow, follow, follow you dey go
This year, good news, jaiye, plenty balling
Go dey follow, follow, follow, follow, follow, follow
Follow, follow, follow you dey go

Everything I be wanting, manifesting for my life
Everything you be wanting, manifesting for your life

Tu m'as laissée tourner en rond, baby
Quatre anneaux, t'as vu, j'ai pris des ronds, médite
Talent caché, joli bébé, toi, tu l'as
On s'est attachés, on a jamais parlé chinois
Toi et moi, ça glisse comme à la patinoire
Cette année, moi, j'ai de quoi t'offrir des bijoux
Tu m'as ratée et maintenant tu m'dis « I miss you »

Everything I be wanting, manifesting for my life
Everything you be wanting, manifesting for your life
Everything I be wanting, manifesting for my life
Everything you be wanting, manifesting for your life

This year, blessing, money, testimony
Go dey follow, follow
Follow, follow
Follow, follow, follow you dey go
This year, good news, jaiye, plenty balling
Go dey follow, follow
Follow, follow
Follow, follow, follow you dey go
