

# YOU ARE GOOD

Victor Thompson

Lord you are bigger than anything  
Anything that my mind can ever think of  
Lord you are better than anything  
Anything that my soul would ever long for  
So I'll praise you, for eternity  
You are good  
Oh I'll praise you, for eternity

You are good  
You are good to me  
You are good  
You are good  
You are good to me  
You are good

You are good  
You are good to me  
You are good  
You are good  
You are good to me  
You are good

Your love is deeper than anything  
More than anything I have ever felt  
Your grace is stronger than anything  
I cannot imagine my life without you  
So I'll praise you, for eternity  
You are good  
Oh I'll praise you, for eternity

You are good  
You are good to me  
You are good  
You are good  
You are good to me  
You are good

You are good  
You are good to me  
You are good  
You are good  
You are good to me  
You are good

You are good  
You are good to me  
You are good  
You are good  
You are good to me  
You are good

You are good  
You are good to me  
You are good  
You are good  
You are good to me  
You are good

Haaa Halle Hallelujah  
To the one, we join the Angels singing  
Haaa Halle Hallelujah  
To the one, we join the Heavens singing  
Haaa Halle Hallelujah  
To the one, we join the Angels singing  
Haaa Halle Hallelujah  
To the one, we join the Heavens singing

So I'll praise you, for eternity  
You are good  
Oh I'll praise you, for eternity  
You are good

Oh yes  
You are good
