

Hate To Say It

Victoria Duffield

I don't know when it started
Phone lines, broken, static
I still hear the words
You're saying all the right things
Pulling on my heart strings
It can't get much worse
You, you got someone new
But you say that I'm still the one for you
I'm not gonna' wait for you to choose
So listen up

I hate to say it but I'm not your baby
Don't try to tell me that I'm the only one on your mind
I hate to say it but you're killing me lately
You and your big, stupid lies, they got me every time

You were my fantasy
What happened to you and me?
I hate to say it but I'm not your baby, your baby anymore

You claim you've always loved me
Do you know what love means?
Don't deny the truth
And thinking about you with her
Paints an ugly picture
The ink's bleeding through, oh
You, you got someone new
But you say that I'm still the one for you
I'm not gonna' wait for you to choose
So listen up

I hate to say it but I'm not your baby
Don't try to tell me that I'm the only one on your mind
I hate to say it but you're killing me lately
You and your big, stupid lies, they got me every time

You were my fantasy
What happened to you and me?
I hate to say it but I'm not your baby, your baby anymore

Don't you even try to apologize
Cause I'm hanging up for the very last time
Don't you even try to apologize
Cause I'm hanging up for the very last time

I hate to say it but I'm not your baby, your baby

I hate to say it but I'm not your baby
Don't try to tell me that I'm the only one on your mind
I hate to say it but you're killing me lately
You and your big, stupid lies, they got me every time

You were my fantasy
Guess things weren't meant to be
I hate to say it but I'm not your baby, your baby anymore

I'm not your baby, I'm not, I'm not your baby anymore

I'm not your baby, I'm not, I'm not your baby
I hate to say it but I, I'm done
