

## Say I Like You

Victoria Duffield

Wasn't lookin' for a friend  
Till you caught my attention  
Don't remember what I said  
But I was tryna break the tension

The way you lookin' at me babe  
I don't wanna wait to call you  
And maybe usually I'm afraid  
But I'm not leavin' till I say I like you

Ask you if you wanna dance  
You said I'm not really into dancin'  
But I could really use a hand  
Do I really gotta mention

The way you lookin' at me babe  
I don't wanna be without you  
And I don't wanna be afraid  
So I'm not leavin' till I say I like you

So even if I can pretend  
I know we won't last together  
Who says there can be an end  
If good things don't last forever

So even if we can pretend  
We know we won't last together  
Who says there can be an end  
If good things don't last forever

Wasn't looking for a friend  
But then you got my attention  
I know exactly what it meant  
Now I'm really gonna say I like you
