

Wow

Victoria Duffield

You got friends and you look tough
I want you and I won't stop
I wanna get you all alone
And maybe you can take me home
I'm not quite superstitious
But good karma's a bad bitch
I'm tryna capture your attention
You look sharp, could you cut the tension

Show me you can do it right, I don't wanna waste my time
Tell me baby, tell me baby
Tell me that I'm just your type, you can't get me off your mind
Don't keep me waiting

I want you to be, wanna be, wanna be like
WOW
Oh my god
Who's that girl
She's on fire
Like damn
She's the one
I just wanna be, wanna be, wanna be like
Hey
Dance with me
Tell me I'm such a masterpiece
Boy, better hurry up, time is running out
I want you to be like
WOW

So hey now, what's the hold up
I look good come on over
I think we gotta seize the moment
I got sins, lookin' for atonement
Can't you see what I'm here to do
Not leaving till I leave with you
No tricks, no bluff, and that's the truth, ya

Show me you can do it right, I don't wanna waste my time
Tell me baby, tell me baby
Tell me that I'm just your type, you can't get me off your mind
Don't keep me waiting

I want you to be, wanna be, wanna be like
WOW
Oh my god
Who's that girl
She's on fire
Like damn

I just wanna be, wanna be, wanna be like
Hey
Dance with me
Tell me I'm such a masterpiece
Boy, better hurry up, time is running out
I want you to be like
WOW

Baby tell me all the things you wanna do
Say that you want me now, go 'head and make it loud, ya
Baby, what's the hold up, come on make a move
What's there to think about, I got you all like WOW
