Best Friend's Brother

I call you up when I know he's at home, I jump out of my skin when he picks up the phone Why can I tell if he's looking at me? Should I give him a smile? Should I get up and leave?

I know it's strange, I don't know what I'm thinking But is it wrong if I see him this weekend? I really hope I can get him alone I just don't, don't want her to know
