

Cheer Me Up

Victoria Justice

Mmm...
Whoa...
Yeah...

Yeah, Uhh

You get me out of my seat, it's like I've been in bed for a week
I've been slippin' n' slidin' all over the place, and nobody cares
And I'm such a disgrace
You get me out of my mood, that's something only you can do,
Cause I feel like I'm home when I'm in your arms
And that's why I need you to...

Cheer Me Up,
Come on dance with me, (Whoa)
And you take my hand.
Cheer Me Up (Oh,Oh)
Even if we're the only ones dancing,
Cheer Me Up (Whoa...)
Please won't you cheer me up (Oh,Oh)
Even if were the only ones dancing.

Give me a reason to smile, the kind that will last for a while,
Like only you know how, make it OK now,
You got your ways to make this girl's day
It's the magic that's in your touch; it makes everything mean so much...
The poetry in you eyes is enough in itself to take me to a high...
Whooo... (Take me to a high)
You Gotta Cheer Me Up... Oh you...

Cheer Me Up,
Come on dance with me, (Whoa)
And you take my hand.
Cheer Me Up (Oh,Oh)
Even if we're the only ones dancing,
Cheer Me Up (Whoa...)
(Take my hand)
I Love it when you cheer me up, (Oh,Oh)
Even if were the only ones dancing.

You turn my frown upside down,
My smile's lost 'n' found when you are around
(You Cheer Me Up, Cheer Me Up)
You turn my frown upside down,
My smile's lost 'n' found when you are around
(Just a little bit of Cheer)

Cheer Me Up,
Come on dance with me,
And you take my hand,
You Cheer Me Up, (Oh,Oh)
Even if we're the only ones dancing,
Cheer Me Up,
Dance with me,
Take my hand,
Love it when you Cheer Me Up, (Oh,Oh)
Even if we're the only ones dancing

Only you got the magic, only you got the key...to my heart
(Only you got the key)
To my heart, yeah...yeah...Oh
Only you got the magic, only you got the way to my heart...
(Yeah, Yeah, Oh)
Even if were the only one's that's there (Cheer Me Up)
I've been last in lines forever; I want a part of it
Even just a little bit (Even if were the only one's that's there)
Happiness can last forever; I want a part of it...
Even just a little bit... (Even if were the only one's that's there)

If happiness can last forever, I want a part of it even just a little bit
