## Freak the Freak Out

## Victoria Justice

Are you listening? Hear me talk, hear me sing Open up the door, easy less, easy more When you tell me to beware, are you here? Are you there? Is it something I should know? Easy come, easy go

Nodding your head, don't hear a word I said Can't communicate, when you wait, don't relate I try to talk to you but you never even knew So what's it gonna be, tell me, can you hear me? (Hear me, can you hear me?)

I'm so sick of it, your attention deficit Never listen, you never listen I'm so sick of it, so I'm throwing on a fit Never listen, you never listen

I scream your name, it always stays the same
I scream and shout
So what I'm gonna do now is freak the freak out, hey
Whoa oh oh, whoa oh oh, whoa oh oh oh

Patience running thin, running thin, come again Tell me what I get opposite, opposite
Show me what is real, if it breaks does it heal?
Open up your ear, why you think that I'm here?
Keep me in the dark are you even thinking of me?

And someone else above me gotta know, gotta know What am I gonna do? 'Cause I can't get through to you So what's it gonna be Tell me, can you hear me?

I'm so sick of it, your attention deficit Never listen, you never listen I'm so sick of it so I'll throw another fit Never listen, you never listen

I scream your name, it always stays the same
I scream and shout
So what I'm gonna do now is freak the freak out, hey
Whoa oh oh, whoa oh oh, whoa oh oh oh

Easy come, easy go Easy come, easy go (Can you hear me?)

I scream your name, it always stays the same
I scream and shout
So what I'm gonna do now is freak the freak out, hey
Whoa oh oh, whoa oh oh, whoa oh oh oh

I scream your name but you never listen No, you never listen but you never listen
