

Make It Shine

Victoria Justice

Here I am, once again
Feeling lost but now and then
I breath it in to let it go

And you don't know where you are now
Or what it will come to
If only somebody could hear
When you figure out how
You're lost in the moment
You disappear!

You don't have to be afraid
to put your dream in action
You're never gonna fade,
you'll be the main attraction
Not a fantasy, just remember me
When it turns out right
'Cause you know that if you live
in your imagination
Tomorrow you'll be everybody's fascination
In my victory, just remember me
When I make it shine!

Reaching high, feeling low
I'm holding on, but letting go
I like to shine
I'll shine for you
And it's time to show the world how
it's a little bit closer
As long as I'm ready to go
All we have is right now
As long as you feel it inside you know

You don't have to be afraid
to put your dream in action
You're never gonna fade,
you'll be the main attraction
Not a fantasy, just remember me
When it turns out right
'Cause you know that if you live
in your imagination
Tomorrow you'll be everybody's fascination
In my victory, just remember me
When I make it shine!

Everyone can tell you how it's
all been said and done (Ooh Whoa)
That harder times will change your mind and
make you wanna run
But you want it
and you need it
Like you need to breathe the air
If they doubt you
Just believe it
That's enough to get you there

You don't have to be afraid

to put your dream in action
You're never gonna fade,
you'll be the main attraction (Ooh Whoa)
Not a fantasy, just remember me
When it turns out right
'Cause you know that if you live
in your imagination
Tomorrow you'll be everybody's fascination
In my victory (Ooh)
Just remember me
When I make it SHINE!
