

Freak

Victoria Monét

Oh yeah, yeah, yeah, yeah
Uh, oh yeah, yeah, yeah, yeah
Oh, oh yeah, yeah, yeah, yeah

I've been feeling a way
About the way you make way
For all them other girls but me
You said I was the one
And you would ride until we die
But now you acting differently

If you could just tell me what you really want
Tell me what you really want now
If you could just tell me what you really want
Tell me what you really want

Do you want a freak?
Is that what you need?
Do you want a freak?
'Cause that's what I'ma be (ahh)
Do you want a freak?
Is that what you need? (I said)
Do you want a freak?
'Cause that's what I'ma be

I've been feeling a way
About the way you make way
For all them other girls but me
You said I was the one
And you would ride until we die
But now you acting differently

If you could just tell me what you really want
Tell me what you really want now
If you could just tell me what you really want
Tell me what you really want

Do you want a freak?
Is that what you need?
Do you want a freak?
'Cause that's what I'ma be (ahh)
Do you want a freak?
Is that what you need?
Do you want a freak?
'Cause that's what I'ma be

Do you want a freak?
Do you want a freak?
Do you want a freak?
Is that what you need?
Do you want a freak?
'Cause that's what I'ma be
