

Chicks on Display

Victory

Fish-net stockings, high-heeled shoes
I'm a seeking just girls like you
Cause your legs lead straight up to heaven
As my mind goes right down to hell

Girls, lucky girls
Blondes, reds, nets, straight up and curled
I've goe em all around the world

Stop! I need
I love the chicks on display
I gotta stop, I need
Chicks on display

Girls clad in the latest fashion
Dressed to kill, looking for action
Oh so many, blue ones too
I see a skirt and I can't be true!

Girls, lucky girls
Blondes, reds, nets, straight up and curled
I've goe em all around the world

Stop! I need
I love the chicks on display
I gotta stop, I need
Chicks on display

Stop! I need
I love the chicks on display
